NOTE

No section E is present in this questionnaire. One question that belongs to the module on Justice and Fairness is placed in section F. This is marked with a footnote.

Several interviewer-coded items have been dropped from this questionnaire as part of the move to CAPI mode only in ESS Round 9. Placeholders have been added where these items used to be situated in order to prevent unnecessary changes in the numbering of section F.

Throughout the questionnaire, annotations (footnotes) are provided to aid translation and questionnaire implementation. In some cases these aim to avoid ambiguity by providing definitions and clarification about the concept behind questions, especially where the words themselves are unlikely to have direct equivalents in other languages. In other cases the annotations provide operational instructions. Annotations should NOT be translated. **Under no circumstances should they appear in the questionnaire given to interviewers.**

Other questions are to be adapted – in part or in their entirety – to the national context (e.g. [country] should be replaced with Britain/British, values should be in the local currency, etc.), or require tailoring/filtering based on answers given to previous questions. These elements are highlighted in grey or placed within a grey box.

Take appropriate action regarding text highlighted in grey so that the correct wordings are introduced into the CAPI programme.

Additional instructions for programmers are in blue font. **These instructions should not be presented to interviewers.**

At some questions there are answer codes that appear in brackets. These codes allow for answers respondents might give but these should not be read out or offered and must never appear on the showcard.

The answer codes on showcards should generally not be read out to respondents by the interviewer (unless specified).

Start/end dates and times should be recorded for each module automatically by the CAPI system where possible.

NOTE ON FRAMING DECILE INCOME QUESTION, CATEGORIES AND CARD

An income showcard should be devised with approximate **weekly, monthly and annual amounts**. You should use **ten income range categories, each corresponding broadly to DECILES OF THE ACTUAL HOUSEHOLD INCOME RANGE in your country**. Please see the ESS 2018 Data Protocol (<http://essdata.nsd.uib.no>) for guidance on data sources to refer to and further instructions on the construction of categories.

Please note that a showcard must **always** be used at this question. The ten rows on the showcard should display the income ranges selected and be preceded by the ten letters used above (or their Cyrillic equivalent) which helps to ensure respondent confidentiality. Each country can choose whether to include weekly, monthly or annual amounts on the showcard or include more than one of these as appropriate. The text in the last sentence of F41 (above) should be rephrased to match the solution selected. Queries should be referred to essdata@nsd.no.

In countries where two or more categories are relevant, G8b should be asked to all respondents. In countries where only one category is relevant, G8b should be skipped and the pre-selected frequency of pay should be included at G11b and G16b.

G11b What is your usual **weekly/monthly/annual¹¹⁵** net income from pensions **after tax and compulsory deductions¹¹⁶**?

INTERVIEWER: Use 0 if the respondent does not receive any income from pensions. If the respondent does not have a usual income from pensions, ask them to think of the income from pensions received in a typical week/month/year.

¹¹⁴ Questions G9, G10, G13 and G15 are not asked to this subset of respondents.

¹¹⁵ 'Weekly/monthly/annual' refers to the frequency the respondent knows best with respect to their income from pensions, asked in G8b. This should be used to present the frequency respondents selected ('weekly', 'monthly' or 'annual') in the question wording of G11b and G16b; if the respondent refused to answer or answered 'don't know' at G8b, show 'monthly'.

¹¹⁶ Countries should include 'net' and 'after tax and compulsory deductions' only if income from pensions is subject to taxation and deductions.

NOTE ON FRAMING INCOME QUESTION, CATEGORIES AND CARD

An income showcard should be devised with approximate **weekly, monthly and annual amounts**. You should use **ten income range categories, each calculated based on the mean NET INDIVIDUAL INCOME FROM PENSIONS in your country**. Guidance on data sources and further instructions on the construction of categories will be provided as part of the Justice and Fairness consultation.

Please note that a showcard must **always** be used at this question. The ten rows on the showcard should display the income ranges selected and be preceded by the ten letters used above (or their Cyrillic equivalent) which helps to ensure respondent confidentiality. Each country can choose whether to include weekly, monthly or annual amounts on the showcard or include more than one of these as appropriate. The text in the last sentence of G12b (above) should be rephrased to match the solution selected. Queries should be referred to ess@city.ac.uk.

¹¹⁷ Countries should include 'net' only if income from pensions is subject to taxation and deductions.

¹¹⁸ The actual amounts must NOT appear on the questionnaire. Only the letters and the corresponding numeric codes.

ASK IF THE NET INCOME FROM PENSIONS REPORTED AT G11b IS GREATER THAN 0, OR IF THE RESPONDENT ANSWERED DON'T KNOW/REFUSAL AT G11b (IF G11b > 0 OR G11b = 777777, 888888)

Both the amount for the top 10% and for the bottom 10% should be included in the introduction to G18. Queries should be referred to ess@city.ac.uk.

¹²⁹ Due to complex routing at G8-G17, National Coordinators must carefully check routing to ensure that ALL respondents are asked the rest of section G (G18-G32).

G19 STILL CARD 65 And now please think about the bottom 10% of employees working full-time in [country], earning less than [amount per month or per year]. In your opinion, are these incomes unfairly low, fair, or unfairly high? Please think generally about people earning this level of incomes.

We are going to ask you how much influence each factor has. There are no right or wrong answers, so please just tell me what you think.

CARD 67 In your opinion, how much influence does each of the following factors have on the decision to recruit or not to recruit a person for a job in [country]?

¹³² 'On-the-job experience' can be translated in the sense of 'professional experience'.

¹³³ 'Organisation' can refer to both private firms and public entities.

¹³⁴ 'Immigrant background' in the sense of 'the situation of people who have immigrated to a country: they can have immigrated either themselves or their parents or ancestors may have done so. This term can also refer to social groups or communities consisting of immigrants or their descendants'.

Now some questions about society in general.

CARD 68 There are many different views as to what makes a society fair or unfair. How much do you agree or disagree with each of the following statements?

	Agree strongly	Agree	Neither agree nor disagree	Disagree	Disagree strongly	(Refusal)	(Don't know)
G26 A society is fair ¹³⁵ when income and wealth are equally distributed among all people.	1	2	3	4	5	7	8
G27 A society is fair when hard-working ¹³⁶ people earn more than others.	1	2	3	4	5	7	8
G28 A society is fair when it takes care of those who are poor and in need ¹³⁷ regardless of what they give back to society ¹³⁸ .	1	2	3	4	5	7	8
G29 A society is fair when people from families with high social status ¹³⁹ enjoy privileges in their lives.	1	2	3	4	5	7	8

¹³⁵ 'Fair' in the sense of a just society. This also applies to G27, G28 and G29.

¹³⁶ 'Hard-working' can refer to intellectual as well as physical work; it can be translated in the sense of 'working a lot' or 'putting a lot of effort in their work'.

¹³⁷ Please translate so that it becomes clear that both 'poor' and 'in need' are expressed.

¹³⁸ 'Give back to society': please use a wording that is commonly used in your language, even if the image of 'giving back' is not the same as in English, e.g. '(regardless of their) contribution to society'. In case of doubt, please discuss with the Translation team ess_translate@gesis.org.

¹³⁹ 'Social status' in the sense of prestige, social standing and position in society. This can result from birth (hereditary) or from own effort (merit). Please use a term that is commonly used in your country and language and which can include both aspects (birth and merit).

STILL CARD 68 And how much do you agree or disagree with each of the following statements?

		Agree strongly	Agree	Neither agree nor disagree	Disagree	Disagree strongly	(Refusal)	(Don't know)

¹⁴⁸ 'Rules' in the sense of 'rules and regulations'.

¹⁴⁹ 'Different' in almost any way. The key idea is that he sees difference/diversity positively and as something worth learning about.

¹⁵⁰ 'Spoil himself': 'treat himself' is another idiom. Strongly negative 'self-indulgence' is *not* intended.

¹⁵⁴ 'Exciting' more in the sense of 'exhilarating' than 'dangerous'.

¹⁵⁵ Get/have this respect, not deserve respect.
